

Understanding the Registry Becoming a Master User

It is recommended that each law enforcement organization assign a Master User for their organization. Master Users have the ability to create and manage additional user accounts within their organizations.

To assign an individual as a Master User in the Medical Marijuana Use Registry, please complete the [Request for Access to the Medical Marijuana Use Registry Form](#) and notate "Master User" at the top of the form.

The required training has been integrated into the Medical Marijuana Use Registry. Please indicate "Complete upon login" on your Request for Access form.

Submit the completed form to the Office of Medical Marijuana Use by:

Email:

MedicalMarijuanaUse@FLHealth.gov

Or

Mail:

Office of Medical Marijuana Use
4052 Bald Cypress Way, Bin M-01
Tallahassee, FL 32399

Please note: If a law enforcement organization designates a Master User, this is the **only** form that is required to be sent to the Department. All additional user information will be documented in the Registry as created by the Master User.
