

Understanding the Registry

How to Search for a Person

Step 1: Log in to the Medical Marijuana Use Registry <https://mmuregistry.flhealth.gov/>.

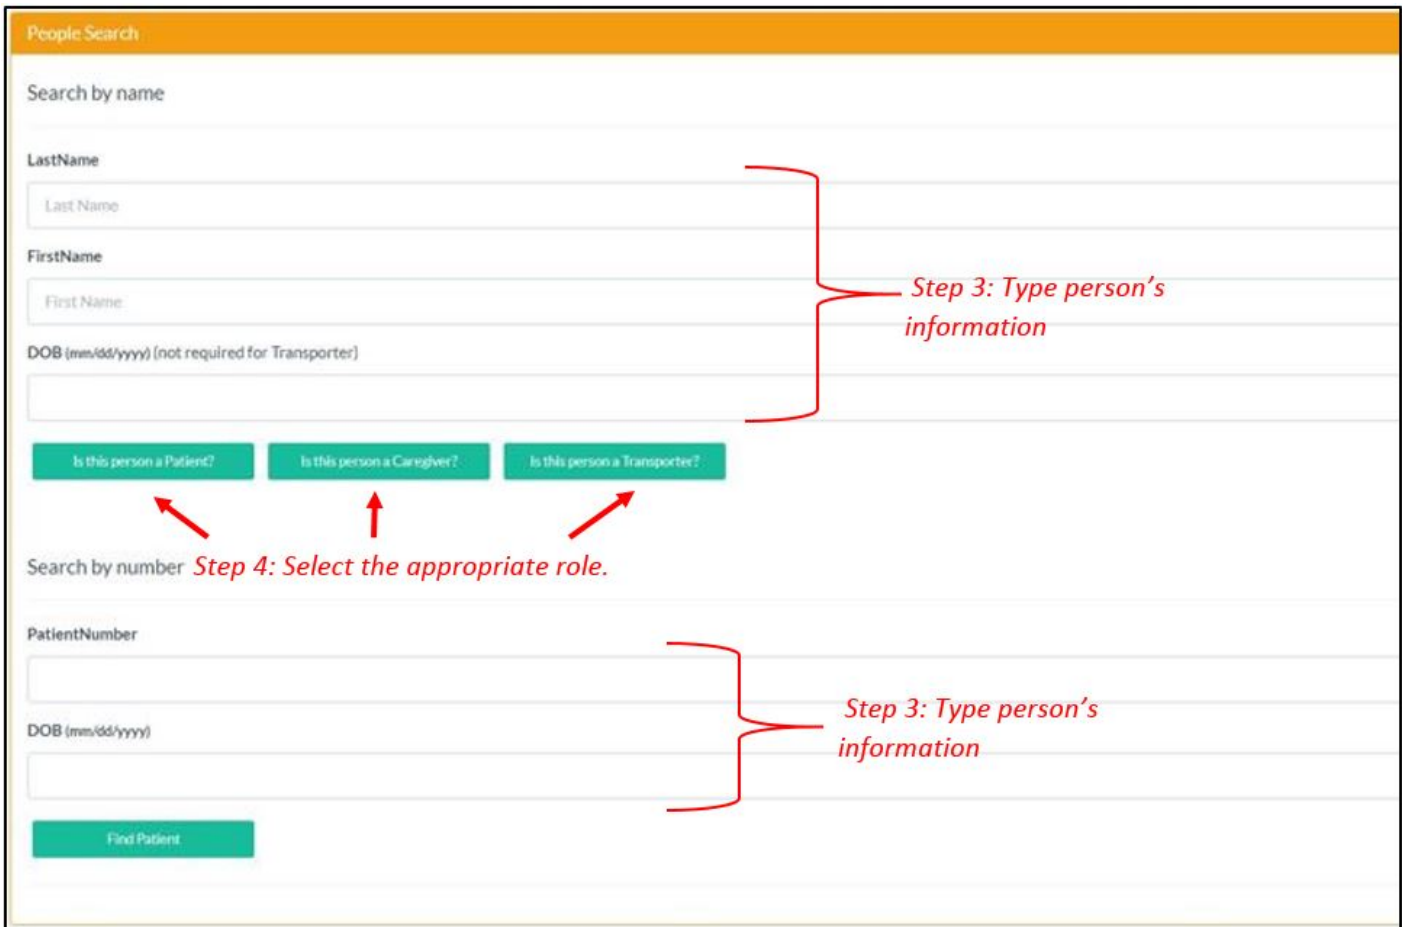

*Get help logging into the Medical Marijuana Use Registry by [clicking here](#).

Step 2: Navigate to the "PERSON SEARCH" menu option at the top of the page.

Step 3: Type in the patient/caregiver/transporter's Last Name, First Name and date of birth or the patient's number and date of birth.

Step 4: Select if the person you are searching for is either a patient, a caregiver, or a transporter.

People Search

Search by name

LastName
Last Name

FirstName
First Name

DOB (mm/dd/yyyy) (not required for Transporter)

Is this person a Patient? Is this person a Caregiver? Is this person a Transporter?

Search by number *Step 4: Select the appropriate role.*

PatientNumber

DOB (mm/dd/yyyy)

Find Patient
