

Understanding the Registry

Understanding Patient Orders

Step 1: Log into the Medical Marijuana Use Registry <https://mmuregistry.flhealth.gov/>.

*If you do not remember your password, learn how to reset it by [clicking here](#).

Step 2: Navigate to the "Person Search" menu option at the top of the page. Find the patient/caregiver for whom you are searching.

*Get help searching for a patient by [clicking here](#).

Step 3: Scroll to the bottom of the patient's profile page to the section that lists the orders.

Each order shows you:

- **Order status:** Orders are listed as Open, Scheduled, Expired, Completed, or Cancelled.
 - Open: Orders from which the patient/caregiver can currently purchase medical marijuana.
 - Scheduled: Orders that will become open at a later date.
 - Expired: Orders that are past the end date but not all dispensations were made.
 - Completed: all dispensations have been made from that order.
 - Cancelled: the physician has cancelled the order.
- **Start dates:** The date the order is open or scheduled to open.
- **Order Type:** The type of marijuana the physician has ordered for the patient. The available types are: Medical Marijuana ("THC" products), Low-THC Cannabis ("CBD" Products), or Smoking Marijuana (Whole Flower Marijuana).
- **Placed by:** The name of the physician who placed the order. *Clicking the physician's name will take you to their physician profile page.*
- **Purchase Device:** Shows if the patient is authorized to purchase a delivery device. This is decided by the physician.
- **Days:** The number of days the order is open.
- **End Date:** The date the order will expire.

Step 4: Click "Expand" to see the details of the order.

Orders for: NEW, PATIENT

Once the order has been expanded you will find:

- The **route(s)** the physician has recommended for the patient to use/take for the type of marijuana.
- **Total Amount Ordered:** The total milligrams on the order.
- **Mg Per Day:** The number of milligrams per day recommended by the physician.
- **Notes** from the physician for the patient or the MMTC.
- Dispensation history of all items the patient/caregiver has purchased from an MMTC.

Different routes recommended by the physician

Route: Oral

Total Amount Ordered: 70 milligrams

Mg Per Day: 1

Note: Physician notes for NON-SMOKING routes are here.

Dispensed On	At	Via	Amount Dispensed	Status
11/14/2019 08:01 AM	Valid MMTC	manager, testing	10 mgs	Given to Patient

Record of all actions taken within the Order

Amount remaining after dispensations
