

Understanding the Registry Uploading Residence from a Mobile Device

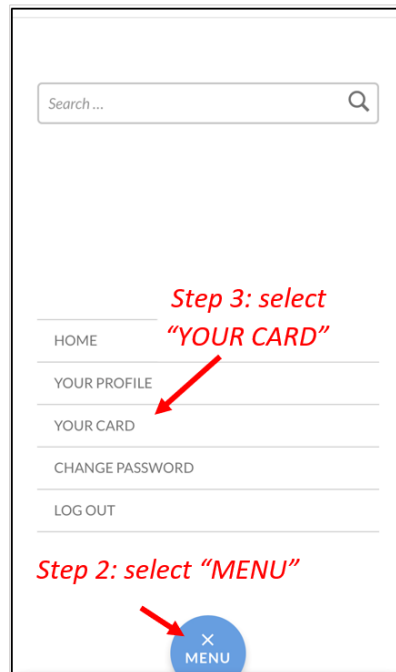

The information below shows you how to upload a document from a smartphone or tablet to the Medical Marijuana Use Registry.

*For information on uploading a proof of residence from a desktop or laptop computer, [click here](#).

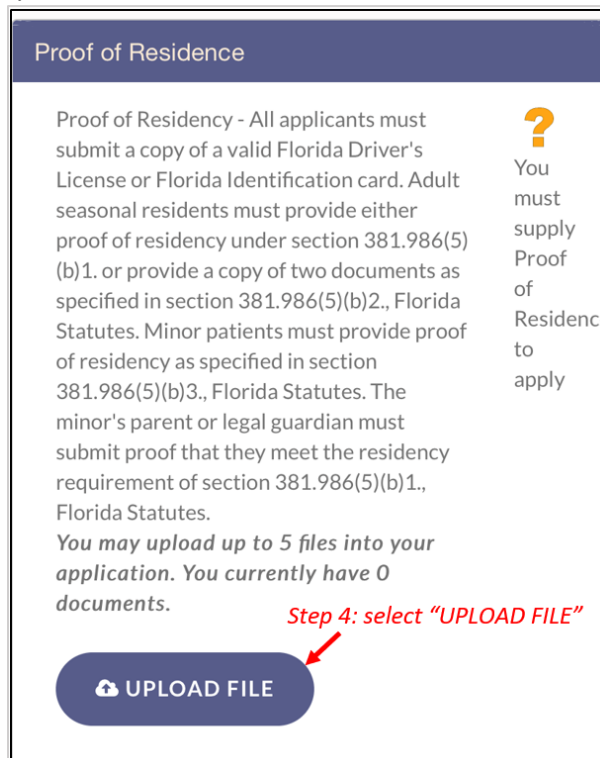

Step 1: Log into the Medical Marijuana Use Registry at <https://mmuregistry.flhealth.gov/>.

Step 2: Click on the "Menu" button at the bottom of the screen.

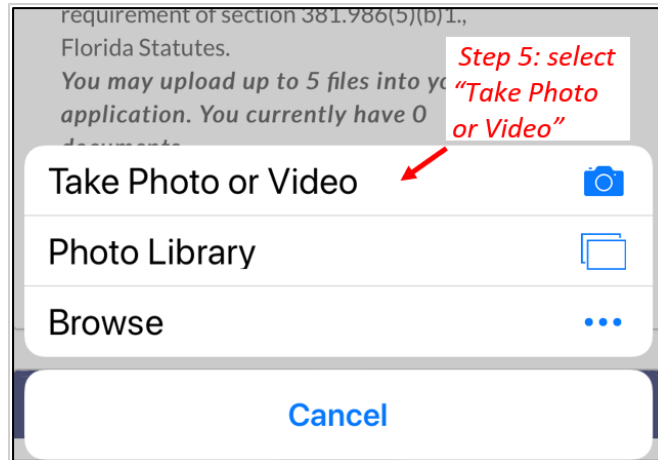

Step 3: Select "Your Card" from the menu options to view your identification card application.

Step 4: Scroll down the page until you reach the Proof of Residence section. Click "Upload File."

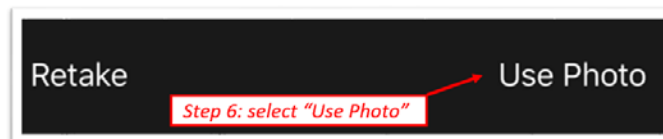

Step 5: Click “Take Photo or Video.”

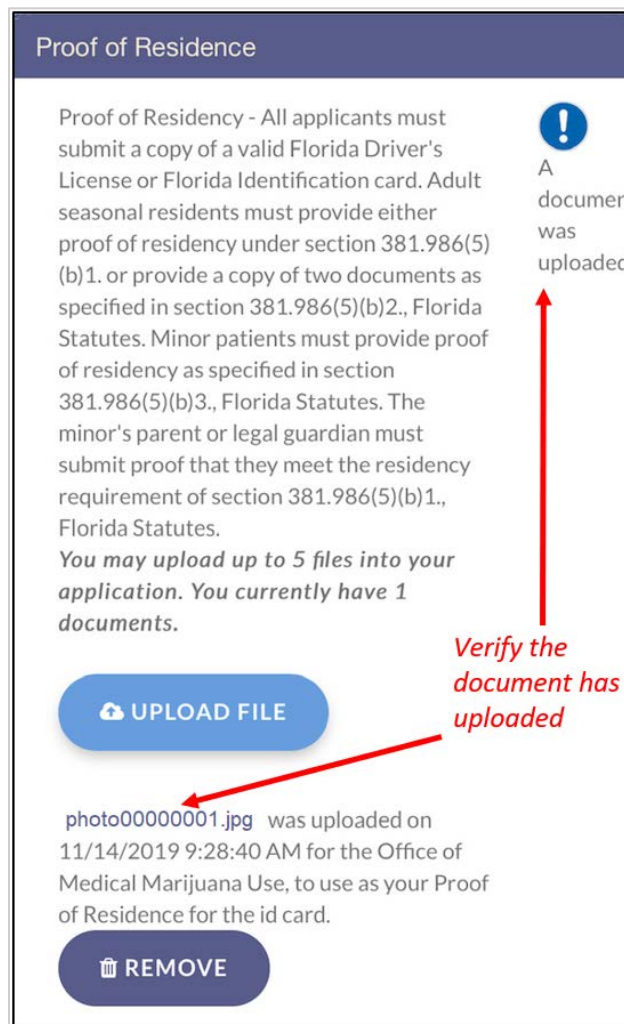

Step 6: Take a clear photograph of your Florida Driver’s License or Florida Identification Card.

Step 7: Click “Use Photo” if the photo taken was clear.

You will be redirected to your online application where you can verify that your document was successfully uploaded.
