

## Understanding the Registry

### Change Email Address

All of the fields on your profile are populated from MQA Licensure Services. Your practitioner profile can be updated by going to <http://flhealthsource.gov/mqa-services>. You can, however, change your email address in the Medical Marijuana Use Registry.

**Step 1:** Log into the Medical Marijuana Use Registry <https://mmuregistry.flhealth.gov/>.

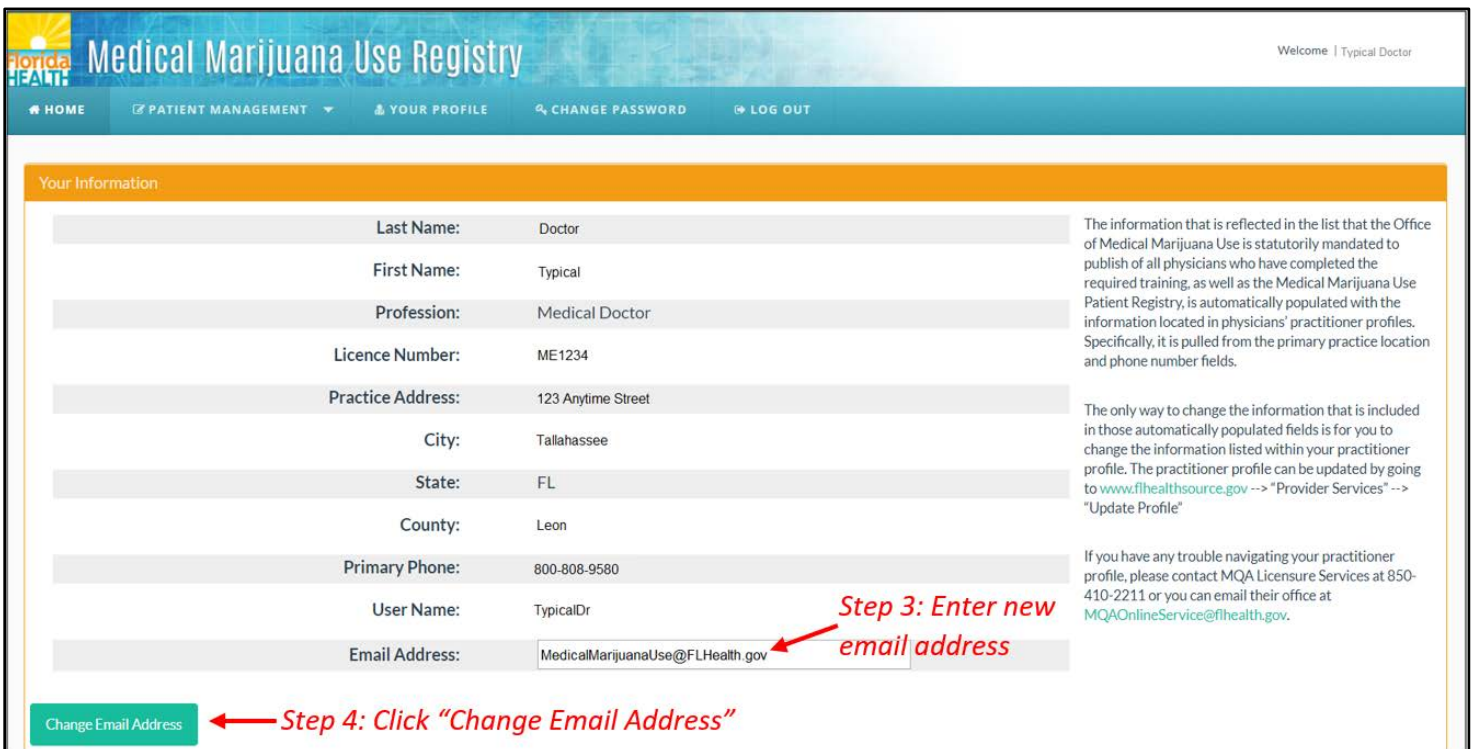

\*Get help logging in to the Medical Marijuana Use Registry by [clicking here](#).

**Step 2:** Click "YOUR PROFILE."

**Step 3:** Type the new email address you would like to use.

**Step 4:** Click "Change Email Address."

Verification that the email you entered was saved successfully.
