

## Understanding the Registry

### Create New Patient

If you've already searched for the patient and don't find them in the Medical Marijuana Use Registry, you will need to add them.

**Step 1:** Log into the Medical Marijuana Use Registry <https://mmuregistry.flhealth.gov/>.

\*Get help logging into the Medical Marijuana Use Registry by [clicking here](#).

**Step 2:** Navigate to the "PATIENT MANAGEMENT" menu option at the top of the page and click on "My Patients" from the drop-down menu.

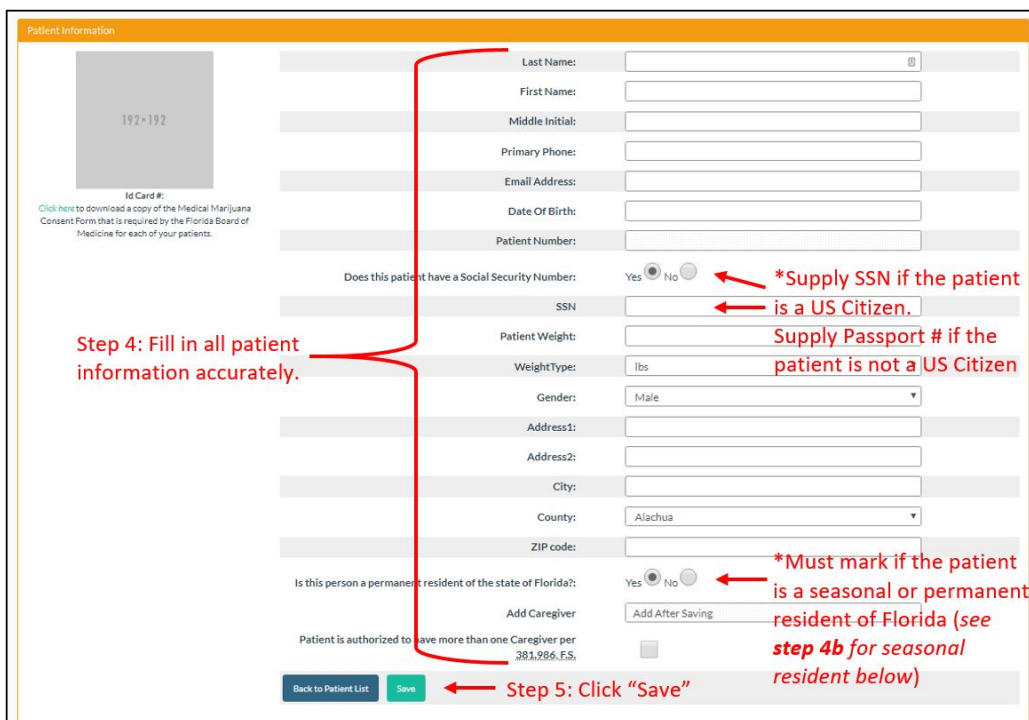

**Step 3:** Click "Create New Patient."

**Step 4:** Accurately fill in all patient information.

\*Be accurate while entering the patient's information. A misspelled name, incorrect DOB, SSN, or address will delay your patient's ability to obtain products, an OMMU ID Card, or possibly cause an issue should they encounter Law Enforcement while in legal possession of their products.

**Step 5:** Click "Save."

**\*Step 4b (Seasonal Residents only):**

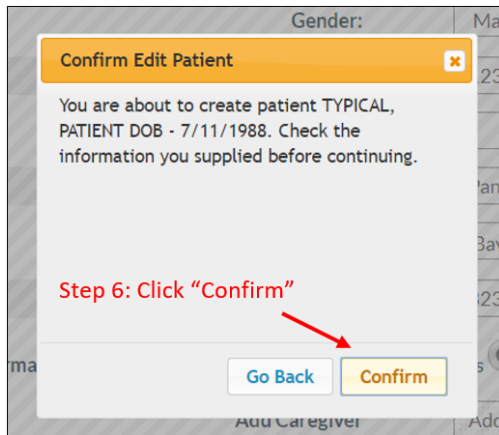

Is this person a permanent resident of the state of Florida?: Yes  No  ← Mark if patient is a Florida resident.

Is this person a seasonal resident of the state of Florida? (Per Section 381.986, Florida Statutes, the term "seasonal resident" means any person who temporarily resides in this state for a period of at least 31 consecutive days in each calendar year, maintains a temporary residence in this state, returns to the state or jurisdiction of his or her residence at least one time during each calendar year, and is registered to vote or pays income tax in another state or jurisdiction.) : Yes  No  ← Mark if patient is a seasonal resident.

What is the patient's permanent state of residence?:  ← Select the state where the patient is a permanent resident

Add Caregiver Add After Saving

**Step 6:** Click "Confirm" to save your entry.
