

Understanding the Registry Physician Same Kind or Class Documentation

You are required to send the **“Same Kind or Class”** documentation to your licensing Board within 14 days of certifying the patient. Supplying the documentation in the Medical Marijuana Use Registry **does not** replace sending the documentation to your Board. Please use this link to find the form that should be mailed to your Board: <http://flboardofmedicine.gov/forms/statutorily-required-documentation.pdf>.

Send the completed form to:	BOARD OF OSTEOPATHIC MEDICINE 4052 Bald Cypress Way Bin C-06 Tallahassee, FL 32399-1708	or	BOARD OF MEDICINE 4052 Bald Cypress Way Bin C-03 Tallahassee, FL 32399-1708

Step 1: If your patient does not meet any the requirements of the statutorily approved conditions but you diagnose them with a condition of the same kind or class, check the appropriate box.

Select the QUALIFYING MEDICAL CONDITIONS as required pursuant to Section 381.986 (2)(a)-(j), Florida Statutes:

- Cancer
- Epilepsy
- Glaucoma
- Positive status for human immunodeficiency virus
- Acquired immune deficiency syndrome
- Post-traumatic stress disorder
- Amyotrophic lateral sclerosis
- Crohn's disease
- Parkinson's disease
- Multiple sclerosis
- Medical conditions of the same kind or class as or comparable to those enumerated in paragraphs (a)-(j)
- Terminal condition diagnosed by a physician other than the qualified physician issuing the physician certification. "Terminal condition" means a progressive disease or medical or surgical condition that causes significant functional impairment, is not considered by a treating physician to be reversible without the administration of life-sustaining procedures, and will result in death within 1 year after diagnosis if the condition runs its normal course.
- Chronic nonmalignant pain

Step 2: Once you choose the “Medical conditions of the same kind or class” option, the below section will appear at the bottom of the certification page. The only *required* section to complete in the MMUR is reporting the patient’s condition that is of the same kind or class as the other qualifying conditions.

Section 381.986(4)(b), Florida Statutes, requires a qualified physician who issues a physician certification for a qualified patient diagnosed with a medical condition of the same kind or class as or comparable to those conditions listed in Section 381.986 (2)(a)-(j), Florida Statutes, to submit the documentation below to the Boards of Medicine or Osteopathic Medicine within 14 days after issuing the physician certification. In addition, information on subsequent certifications for these diagnoses must also be submitted. Do not provide any patient identifying information other than what is requested in this form. Do not attach patient records as part of the documentation.
