

Understanding the Registry Physician Self-Register Instructions

The Registry is connected to the Department of Health, Division of Medical Quality Assurance (MQA). The information entered in Steps 4-9 is used to verify with MQA that you are authorized to access the Registry.

Step 1: Open your internet browser (we recommend using Google Chrome) and go to Medical Marijuana Use Registry at <https://mmuregistry.flhealth.gov>.

Step 2: Click “Log In.”

Step 3: Click “Register.”

Step 4: Choose your profession from the drop-down menu.

Step 5: Enter your medical license number (*use all capital letters with no spaces or dashes, example ME12345*).

Step 6: Enter your last name (last name must be exactly as it is registered with MQA).

Step 7: Enter your first name (first name must be exactly as it is registered with MQA).

Step 8: Enter your 8-digit date of birth (mm/dd/yyyy).

Step 9: Enter the last 4 digits of your Social Security Number (SSN).

Step 10: Click “Verify Me.”
